

TECHNICAL DATA SHEET

SAMAN RUST, LIME & TARTAR ELIMINATOR URO

DESCRIPTION

Saman Rust, Lime & Tartar Eliminator dissolves rust quickly and restores surfaces to bare metal without scraping, chipping or scrubbing. It dissolves tough calcium and lime deposits from: tubs, toilet bowls, sinks, glass, chrome, fiberglass, stainless steel, coffee pots, humidifiers, dishwashers, washing machines and shower heads.

PRODUCT SPECIFICATIONS

Appearance: clear liquid

Odor: odorless

pH : ~1

Density: 1.16 kg/l

VOC: 0

Recommended applicators: brush, cloth or sponge

Clean up: Clean applicator and equipment with water.

Storage: Store in a cool, dry place. Do not transfer content to unlabeled bottles or other containers. Do not reuse empty bottle. KEEP OUT OF REACH OF CHILDREN.

Shelf life: at least 1 year in a well closed container.

APPLICATION

To remove rust: Apply the solution directly to rust or soak metal parts in the solution. The rust will dissolve in few minutes (time will vary if it is light rust or heavy rust). Rinse thoroughly with cold clean water and dry.

To remove calcium and lime: Apply directly to calcium or lime with brush, cloth or sponge. Allow a short dwell time and rinse thoroughly with cold clean water. If stain does not disappear, reapply and allow a longer dwell time.

Testing

Always do a test area to determine whether desired results will be achieved.

ALWAYS WEAR RUBBER GLOVES, EYE PROTECTION AND PROTECTIVE CLOTHING. USE WITH ADEQUATE VENTILATION.

To the best of our knowledge, the information contained herein is accurate. Since conditions and methods are beyond our control, no warranty is expressed or implied as for the final result. The user is advised to access the suitability of the product on a test area before application.
